Landsec as Processor

Land Securities Properties Limited ("Landsec") undertakes property management services at the property. It is committed to operating in accordance with data protection laws.

1. What does this mean for you?

The personal data that Landsec processes relating to our customers, in this case those occupying one of our properties, typically consists of the following:

- 1 Details held on our corporate systems relating to the identity of occupiers for the purposes of fulfilling obligations and ongoing billing and management arrangements under a lease;
- 2 Landsec have published a privacy notice that is available online at <https://landsec.com/policies/privacy-policy/commercial-tenant> which outlines what personal data we process and why. We also explain that we consider ourselves to be the data processor in relation to data we process on your behalf and have included a data processing agreement.
